PURPOSE

To ensure that Koonung Heights Cricket Club (KHCC) meets its obligations with respect to safe storage and handling of food and that healthy food options are offered and actively promoted to members, volunteers, and spectators.

POLICY

KHCC is committed to the health and wellbeing of the people involved with our club. We will be diligent in providing safe and healthy food options through club food outlets including the canteen, meals, and in selecting on and off-site function.

POLICY STATEMENTS

1. KHCC has procedures for onsite food storage, handling, volunteer training and the cleaning of food preparation areas to maximize food safety;
2. KHCC Committee will review its food menu items prior to each season to ensure that healthy food options are maintained and where possible are increased;
3. Healthy food options will be displayed prominently at point of sale and will be priced to maximize appeal;
4. For off-site functions, healthy food options will also be made available where possible;
5. KHCC will buy locally produced foods as appropriate.

PROCEDURES

KHCC will:

1. display signs in food preparation areas to remind people of hygiene requirements e.g. wearing of disposable gloves, washing of hands;
2. ensure that disposable gloves, hand wash and clean water are all available in food preparation areas
3. have cleaning procedures displayed in food preparation areas to assist volunteers to know what is required
4. encourage people managing food areas to have Food Handling training and volunteers to undertake the Do Food Safely online training
5. undertake a preseason kitchen / canteen equipment and maintenance check to ensure all kitchen tools, crockery, cutlery, appliances and cool storage are in working order, clean and replaced when needed.
